Happy Valentine's Day to all my people!

I hope you take some time to talk to loved ones and let them know you appreciate them. Valentine's Day is really a day of remembrance for all the joy and love you have shared with family and friends. Remember the excitement of opening your specially decorated shoebox to see all the funny and sweet cards? Maybe sending out a few will give your friends a laugh!! Our meeting this month is all about your heart and sharing good health.

Thanks to the Canton Historical Society for coming and sharing all about Canton. It was interesting to hear about this area and the development over the millennium. I moved here in 1977 and it has exploded and changed so much. I remember a store on Ford Road that still had a hitching post out front. Meijer was under construction and was all the buzz. Fields abounded and wildlife was everywhere. I am looking into a membership to the society and hope you will too! Watch for the sign up sheet in April for the Lasko House tour or visit. We have two planned for this year one in May and one in June. If you were on the list for last year and did not get to attend, your name is already on the May list.

It is getting closer to our charity Bingo event in April. The board is busy meeting to organize the event, collect baskets and gift cards to make the event successful. Please contribute if you can, sell a couple of tickets and definitely come! This is our chance to make a big impact as a small group. To purchase tickets, speak to Sharon, Connie or any board member.

In February, we need three volunteers to call all the membership to inquire about upcoming board positions. Please be kind and return the call, or simply reply if you are interested in running for a board position. This is a must-do task under our constitution and allows for continued leadership. This year we need to elect a new President, Vice President, Secretary, Newsletter Coordinator and Media Consultant (updates the webpage and Facebook). This year, we have a smoothly running board, and are operating in the black financially speaking. Please consider giving your time to our group. We thank you in advance for your consideration.

Bundle up and get out to the Plymouth Ice Festival. It's always worth it and a fun afternoon.

Stay safe and warm!!

## Membership

Good day ladies!! The new year is off to a great start - we added a new member at our last meeting... Sue Quick. We are so happy that Sue is joining our wonderful group. Please add Sue's contact information to your membership list. This now brings our total to 67 members.

And now for the more serious side of business with Nancy's Nonsense -

### **Nancy's Nonsense:**

How did Noah see at night?

*Flood Lights*

Where do bad rainbows go?

*To PRISM - It's a light sentence but it gives them time to reflect.*

Why did the cat have to go to summer school?

*He was a cat-atrophe in class!!*

Why did the cat get a ticket?

*It was a fast Purr-suit.*

See you all soon!

***Nancy Ellenberger, Membership Chair***

***Please note - we will participating in chair yoga in February, so wear comfortable clothing and shoes.***

## Did you know?.....

Flowers can send their own messages. According to U.K. Royal Collection trust, flowers have held symbolic meanings for centuries, but communicating with plants - i.e. floriography, or flower language, became popular during the Victorian era. Here are a few meanings behind popular blooms:

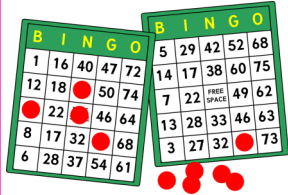

**Daisies** represent innocence and loyalty.

**Forget-me-nots** are a request to be remembered. **Poppies** are the flower of consolation. **Red Roses** are the symbol of romantic love. **Tulips** are a declaration of passion and love. **Violets** denote watchfulness, modesty and faithfulness.

So choose your flowers carefully.

## It's Bingo Time!

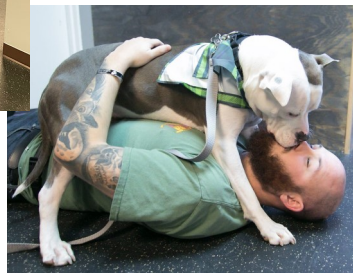

Please take time to join us on Wednesday, April 15 for a fun evening of Bingo. The event is \$40 a ticket and includes a taco bar dinner, soft drink

beverages, Bingo and some lovely gift baskets/prizes to win. Individual tickets will be available at the February meeting as well as ticket books for you to sell to your friends, family and neighbors.

All proceeds from this event will go to support Blue Star Service Dogs, a wonderful charity that adopts shelter dogs, uses prison inmates to train the dogs and then provides them to veterans for individual needs.

We hope everyone can join us to support this wonderful service organization - and please bring anyone who may be interested in helping us support Blue Star Service Dogs.

## Future Newsletters

*Sadly, very soon the program we have been using to publish the newsletter will no longer be supported by Microsoft. And while we are still able to use it, there are many glitches and technical problems that make formatting the newsletter a challenge. I apologize for any inconvenience for those reading the newsletter, for unexplained "gaps", and any other unusual pages that may appear. Know that I am working diligently to find an alternative publishing software to use.*

*With that in mind, please remember that anything for the March newsletter **MUST** reach me by **Feb 11** as I will be out of town and will not have computer access. Thanks to everyone for your understanding and support.*

*Future deadlines for Newsletter articles:*

March Newsletter	<b>Tuesday, Feb 11</b>
April Newsletter	Tuesday, Mar 17
May Newsletter	Tuesday, Apr 21
June Newsletter	Tuesday, May 19

## Give it up....For Good!

In February, we are collecting eye glasses and hearing aids for distribution through the local *Lions Club*. Volunteers will clean and sort each item, and distribute them during medical screenings. Items that cannot be used will be recycled for scrap, and the proceeds will be used to fund local projects.

Each month that we hold a **Give It Up For Good event**, we will accept new or gently used items to donate to various charities. There is no need to purchase anything new - the goal is to help you eliminate clutter and free up space while doing good!

Thank you for your contributions.
